- * Friday at **8:00** am
- * Saturday at **8:00** am (AM Shooters)
- * Saturday at **1:50** pm (PM Shooters)
- * Sunday at **8:00** am

Match Format

The match will be a Tournament level match. Scores will be posted on the Match Web Site (www.uspsa-area6.org) at the end of each day. Final match results will be posted on the Match web page, as well as on the USPSA web site (www.uspsa.org).

Squadding Information

You will have a choice on a **first come, first serve (by postmark)** basis of squadding times. There is a place to indicate your 1st, 2nd, and 3rd squadding time choices on the entry form. You can choose to shoot the match all in one day on Friday, all in one day on Saturday, or split the match over two days and shoot Saturday Morning / Sunday Morning, or Saturday Afternoon / Sunday Morning.

We will still use on-line squadding to allow shooters to adjust their squadding.

We will fill any squad requests you submit with your application if we can do so at the time we enter your registration data into the system. This means we will put you directly in an all day Saturday slot if you ask and we have one open, and will even put you into squads with people you request. Please see the note about 'Waitlisting' below.

Once we enter your registration data on-line, your initial squadding data will be available and you may change it using the web based system.

There are a few limitations to this system:

Limitation #1: We will not re-arrange existing squads. If you ask to be squadded with Bill and Bob, and they are already in different squads, we will not move one of them to fit you three together. You, Bill and Bob are, however, welcome to do that yourself with the on-line squadding system.

Limitation #2: We will not "hold openings" in slots for future arrivals. Requests such as "save an opening in this squad and put Joe in it if he signs up" will not be tracked.

Limitation #3: We will not track "forward looking requests" which cannot be processed at the time we are entering your registration data. These are requests like "squad me with Joe Blow who is signing in his registration separately".

Limitation #4: If a shooter has requested a "private registration", they do not exist on the squadding matrix when processing competitor requests. If you ask to be squadded with Ms. Famous, and Ms. Famous has requested her name be kept off the public registration list, don't expect us to squad you with her unless Ms. Famous has given us permission to honor this request.

Waitlisting

If your choice does not exist at the time we receive your entry **and you have indicated to place you on the waitlist**, we will put you in your second choice of squadding times and place you on the waitlist for your 1st choice. Waitlisting will be done by postmark. We will attempt to notify you by email, so please make sure that is included on your application. If your entry clears the waitlist, **we cannot guarantee that we can place you in a particular squad or with your buddies, so please be sure you want to be waitlisted for a session.**

Some all day Saturday slots will be reserved for those people volunteering to be Friday ROs but will be released to the waiting list on 3/15/10.

Awards/Prizes

All class and category winners, as well as division winners, will receive a plaque. Awards of prizes will be made in the 6 Divisions (Open, Limited, L10, Production, Revolver and Single Stack) as listed in the match booklet. The total amount of prizes for each division will be based upon the number of competitors in that division.

You or your designee will need to be present to visit the prize table when your name is called. A competitor may receive all trophies, which he or she merits, however a competitor is entitled to only one (1) trip to the prize table.

A division must have at least 5 competitors for recognition. A category must have at least 3 or more competitors for recognition.

Awards:

Match Winner

Area 6 Champion

2nd Overall (if not one of the above & more than 25 competitors in the division)

3rd Overall (if not one of the above & more than 50 competitors in the division)

4th Overall (if not one of the above & more than 75 competitors in the division)

5th Overall (if not one of the above & more than 100 competitors in the division)

Additional Overall places added for each additional 25 competitors in the division.

Top Lady & Top Area 6 Lady (if different)

Trophies 1st – 3rd Overall** in GM, M, A, B, C, and D Classes

Top Senior

Top Super Senior

Top Junior

Top Military

Top Law Enforcement

Prizes:

The Area 6 will use a Prize Table System based on order of finish.

Match Winner

Area 6 Champion (if not Match Winner)

2nd Overall (if not one of the above & more than 25 competitors in the division)

3rd Overall (if not one of the above & more than 50 competitors in the division)

4th Overall (if not one of the above & more than 75 competitors in the division)

5th Overall (if not one of the above & more than 100 competitors in the division)

Additional Overall places added for each additional 25 competitors in the division.

Top Lady

Top Area 6 Lady (if not Top Lady)

Top Junior

The following winners will then visit the prize table within THEIR order of finish:

1st GM, M, A, B, C, and D - - This means that if 1st A finishes higher than 1st M, then 1st A will visit the prize table before 1st M.

Then all others will either be order of finish or random. Details will be announced prior to the match.

Shooter's Barbeque Friday Night!

We will host a shooter's barbeque after shooting concludes on Friday night for competitors and staff. There will be no charge for competitors and extra tickets will be available at the match for guests and children. Please join us!

Contact Information

Bill Noyes (A6512)

2010 Area 6 Chief Statistician

Voice: 770-460-7436

E-mail: wgnoyes@bellsouth.net

If you have any questions regarding the match, hotels or sponsor information, please contact Cindy Noyes:

Cindy Noyes (A8913)

2010 Area 6 Match Director

Voice: 770-460-7436

E-mail: cgnoyes@bellsouth.net

Ammo and other Special Requirements

See Match Booklet for specifics. The round count for the match will be between 250-300 rounds.

Match Host Hotels

In the Conyers area off of I-20 East we have three hotels with discounted rooms for our match. Please call the hotels directly for the discounted rates. The Hampton Inn (770-483-8838) has queen rooms for \$79 and kings for a small additional amount. Please use the code 'Area 6' to get the discounted rate for the Hampton. The block of rooms for the Hampton will be released on 3/31/10. The brand new Holiday Inn Express (678-964-2400) is on the I-20 access road at the same exit (GA Hwy 20/HWY 138) and is an all suite hotel with a rate for us of \$95 per night. Please use the code 'AREA6GPL' for the HIE. The La Quinta Inn (770-918-0092) is across the access road from the Hampton. You can get a discounted rate at the La Quinta using the Glock rate. Just put 'GLOCK' in the code at their website.

One exit west is the recently remodeled Ramada Inn & Conference Center (770-483-3220). Their rate is \$79 per night with a full hot breakfast buffet. You will need to ask for the South River Gun Club rate. All hotels are approximately 15 miles from the range. Other hotels in the area will be about the same distance from the range and there are good restaurants nearby.

We have one hotel in McDonough that is a favorite of some of our folks that come up from I-75 South. The Best Inn (770-957-5821) has inexpensive rooms but has not agreed to give us any discounts. Their rate is very inexpensive. There are some good restaurants nearby, but not as many as in Conyers. It is about the same distance from the range as Conyers.
